Graeme's SFF: One for 2014? 'Archetype' (M.D. Waters)

Having just published yesterday my list of favorite books read in 2014, which also included Archetype by M.D. Waters, I remembered that I also have the prequel and the second book in the series.. Having liked the first book quite a lot, my next read was instantly decided, so this morning while having my breakfast, I picked up Antitype and started reading.

ARCHETYPE by M.D. Waters | Kirkus Reviews
Book Review: Archetype by MD Waters The buzz behind Archetype is not misplaced. I finished this book in a weekend, and I'm fairly sure that's how most people have read it – fast and somewhat obsessively. With the proliferation of dystopian novels in the market, it's becoming difficult to find a standout book among the masses.

Archetype 1 Md Waters

M.D. Waters has written a stunning debut novel with Archetype. This one held me in its grasp the entire way and I was very upset when that pesky real life interfered with my reading. The story and especially Emma's character grab you right from the first page. This is a complex book to categorize as well.
