Bluets: Maggie Nelson on the Color Blue as a Lens on ...

Maggie Nelson’s Bluets takes aim at one of today’s most beloved forms of writing—the autobiography—coily challenging the genre’s attachment to truthful stories of the self and the form thought best to convey them: that of the realist novel. To hear the mass media speak of it, the mere suggestion of embellishment, never mind invention, disrupts the hopeful economy of memoirs in which a writer bares their soul and the reader feels less alone.

The Review: Bluets by Maggie Nelson | Brick

? Maggie Nelson, Bluets “Life is a train of moods like a string of beads and as we pass through them they prove to be many-colored lenses which paint the world their own hue, and each shows only what lies in it’s focus. To find oneself trapped in any one bead, no matter what it’s hue, can be deadly.”? Maggie Nelson, Bluets

At the bottom of the swimming pool, I watched the white winter light spangle the cloudy blue and I knew together they made God. When I walked into my friend’s hospital room, her eyes were a piercing, pale blue and the only part of her body that could move. I was scared. So was she. The blue was beating.

Review by SELMS. I don’t read much memoir (people generally bore me), so I was late to reading Maggie Nelson’s Bluets. There is much that can be said about this book, and so much has already been said, that I am only going to concern myself with p90 on which Nelson states, “Recently, I found out that “les bluets” can translate as ‘cornflowers’...I had only ever heard, ‘a small ...
