The Cartoonist's Workbook by and a couple other books helped me learn how to draw cartoons good enough to put in my latest book. Robin Hall's common sense approach to teaching drawing made the challenge fun. There were also a tremendous number of different sketches in the book that helped jump start ideas for potential cartoons.

The Cartoonist's Workbook (2nd Edition) | Robin Hall. It's good to see this imaginatively-presented look at the art of cartooning back in print. Presented almost entirely as a series of cartoons, there's something endearing and at the same time both obvious and not-obvious about this way of doing things. The essence of a good cartoon is to ...
