Let's Grow a Garden Gyo Fujikawa ~ Zokeisha, 1978 Though my son has long since outgrown board books, since we are out at our farm this morning awaiting a soil delivery for our vegetable garden, I felt the post apropos.

Let's Plant a Garden - Nursery Rhyme

Making a children's vegetable garden effectively means choosing appropriate plants. Vegetables that are good choices and easy to grow include: Beets; Carrots; Radishes; Tomatoes; Of course, children love to snack, so include favorites like cherry tomatoes, strawberries, or peas as well. You might consider implementing a fence or trellis for vine-growing vegetables or even a small sitting area where children can snack on these favorite treats.

Parents | Let Grow

To empower kids, let them have a say in which plants are used and involve them in choosing projects and creating gardening plans. Gardening provides many opportunities for engaging kids. By planting, designing, and maintaining the garden, children learn responsibility.

Let's Grow Love! - KidsGardening

"Let's Grow a Garden" is a wonderful book, and increasingly hard to find. (I have given three copies as presents to friends and associates involved in farming or gardening activities and expect to keep up the custom.) The pictures are appealing, the theme is great--and the diversity of the little faces is, for me, the book's greatest distinction.
