Thinking about your life as a team sport forces you to realize an important lesson: your life is dramatically impacted by the people around you. Life is a shared experience. And for this reason, the people around you need to be part of the plan. A good mission in life is always about more than just you.

21 Life Lessons Kids Learn Through Youth Sports

Yes, playing games was good exercise, but it was the life lessons that mattered most. For too many of us, as recess became a distant memory, so did the idea that sports can transcend fitness. Instead of looking to improve our minds and spirits, we began gauging progress solely by the size of our muscles or the numbers on a scale.
