Critical discourse analysis - Wikipedia
Abstract. This chapter explains the tenets of Postcolonial Critical Discourse Analysis (PCDA) as a theoretical and methodological framework. It introduces the notion of the ' postcolonial ' and ' Orientalism ', before providing a review of Critical Discourse Analysis (CDA), and the connections between language and social structures of power.

critical discourse studies sociocognitive approach
Critical discourse analysis is an interdisciplinary approach to the study of discourse, or put simply talk and text, that views language as a form of social practice. Scholars working in the tradition of CDA generally argue that social practice and linguistic practice constitute one another and focus on investigating how societal power relations are established and reinforced through language use. In this sense, it differs from discourse analysis in that it highlights issues of ...
