Writing Comics: Scripting Programs - iFanboy
While much of this article applies no matter what media you plan to work in, and I'm sure screenwriters will be interested in the list at the end, too, I'm focusing on scriptwriting for comic books because I can both draw and write. But also because it is an underserved part of the scriptwriting software market.

Writers on comics scriptwriting. 2 (Book, 2004) [WorldCat.org]
Writers on comics scriptwriting is one of those under rated books that sadly has went under the radar for some reason. Although 14/15 years now at the time of writing this review I'm not surprised that it was quite hard to find a way to write comic scripts and how people do it that era (for example when interviewed in the book some participants still used the marvel method of ...
